

PHONE

Acronym

Throughout the years the phone has become a vital tool for communication. It has also become a powerful tool as an acronym of how to willingly choose to communicate successfully with integrity.

*There are so many considerations that work hand in hand together. They are all-important and can't be mentioned one without the other to explain how to become the best at whatever you do. Desire and will power are certainly a big part of it. It's all in how a person thinks. **Everybody has a mind to think with and can choose and control their own way of thinking. It is all stated in the acronym,***

(PHONE)

- #1 Positive Mental Attitude:** *Speak with confidence. People will tend to listen and pay attention to what you have to say.*
- #2 Honesty and Sincerity:** *Believe what you say and say what you believe. You will never get caught in lies and people will tend to loyal to you.*
- #3 Organizations:** *Plan your work and work your plan. A presentation without a demonstration is wasted conversation. It saves time and earns money in the long run.*
- #4 Neat Appearances:** *The better you look the better you feel. People perceive you in how you look.*
- #5 Enthusiasms:** *Speak with enthusiasm and excitement. You could reflect back what you want a person to think by influencing and generating interest through the power of persuasion.*
