

**Beware of Vonage**

**Phone Service!**

---

***In their blatant Deceptive business practices!***

***I was forced to discontinue their service, because of their bad service shortly after I paid them for the year in advance. Yes, it was my mistake in doing so, however I trusted them and that was my costly mistake, because they blatantly cheated me out of 615.00 that's six hundred and fifteen dollars of my money without any regard for why I had to discontinue their bad service. Now, they have my money and won't give it back. They most certainly don't have or understand the meaning of Integrity Thinking!***
