*As enumerated from the Achilles to our more current Korean-Vietnam wars that was fought with some sort of a distinguishing type of armor or uniform to be able to distinguish each other. Today is quite different from those past wars fought, given that; we fight a cowardly cloaked enemy without honor or a conscientious. We can't tell the enemy from an innocent civilian of peace simply, because; they hide and blend in with them. Men, women or children, it really doesn't matter to them, killing indiscriminately. It is an enemy that distorts the truthful teachings of the true Koran that teaches love not hate. It is a fanatical enemy of a perverted religion that defies all rational logic of common sense of thinking. They actually believe they will be rewarded to a paradise for the evil acts they commit, being ignorantly manipulated by the devil. War is the derivative of war mongers and this War is of George Bush and Dick Chaney's greed for profit. Iraq/Afghanistan casualties 1,590,895 death's, 1,194,935 This is approximately, 530 times as many people that have been killed in these wars than in the ghastly attacks of, Sept 01. As of June 09, Total US casualties Are 48,511 with 4,977 deaths, total estimated cost, 5 to 7 trillion all because of the influence of **P.G.I.H. (Power, Greed, Ignorance and Hate)** is the derivative of George Bush and Dick Chaney.*
