*Inherent greediness of their self-serving policies*

*Oh Please Honor our Heritage – Please Honor our Heritage – Oh please Honor our Heritage*

*The Declaration of Independence of the thirteen Colonies in Congress, July 4, 1776 the unanimous Declaration of the thirteen United States of America,*

*We hold these truths to be self evident, that all men are created equal that they are endowed by their Creator with certain unalienable rights that among these are life, liberty and the pursuit of happiness that to secure these rights, Governments are instituted among men deriving their just powers from the consent if governed that whenever any form of Government becomes destructive of these ends, It is the right of the people to alter or to abolish it, and to institute new Government, laying its powers in such form, as to them shall seem most likely to affect their safety and happiness.*

*Commentary; With the deliberate and fraudulent conspiracy of rigging the election results of 2000 in Florida's Volusia County's precinct 216 - that resulted in the reduction of Al Gore's total by 16,022 votes and mysteriously added votes to George Bush, - it is self-evident that Today, 232 years later, our Heritage has been assaulted with dishonor and disrespect then disposed of - by being besieged with corruption from the top to the lower levels of government through the influence of power and Greed. See the following essay's that deals with the facts and beyond, (Oh fuck its duck) - (Historians vs. George Bush) - (George W. Bush's Torturer Chamber -- Chaimberat Abu Grabs) (Representation without Integrity) (Relative Points of Interest) and (Corporate Greed in America), Thus the inspiration for the lyrics to this song.*
