*These are just a few examples from 1974 to 2008 that we all know about. But, what about the rest? I don't get it and most certainly can't even comprehend how a human being could even think of such **Evil** doings, let alone act upon it. How can **Evil** in such a degree even occur? Unless, there has to be an ultimate source of **Evil** to be able to absorb a person's soul and become demonically possessed to cause it to happen. Therefore, these examples have allowed themselves to be lured into an instrumental tool for the **devil**, the most **vicious-deviously-cunning**, enemy of the human species history.*
