

Self-serving positions of Power's (Pledge of Allegiance)

James Madison said it right when he quoted, "The truth is that all men with power ought to be mistrusted" (1809-1817)

↻ **Because** ↻

They pledge allegiance to themselves through ↻
The United States of America ↻
Into the Amendment for ↻
For which they stand ↻
Their position is ↻
Under power and greed ↻
That's indivisible to the ↻
Dishonest representation for all ↻

John Adams also quoted it right, "Power always thinks it has a great soul and views beyond the comprehension of the weak; and that is doing God's work, when it is violating all his laws" (1816)

Why?

The fact is ⇨ power is influenced by the vanity of ascendancy into a greedy lust for avidity that's at the expense of the weak with no room nor comprehension for ⇨ **God** ⇨ that's why!
