

The Heart of our Civilization

The **Heart** of a Prosperous **Civilization** is the **Heart** of **Democracy** established with a set of **Rules and Regulations** that works with the **Laws of Justice** for all. It's not just for the privileged, but the whole **Civilization** as a **People of Equality** and an established recognized **Constitution** to reinforce it. **Integrity** is the essence of **Justice** and **Justice** is the essence of **Integrity** "one of the same" and that's the **Heart** of this essay. **Integrity Thinking** is of uncompromising **Principles of Honor -- Honorable Principles** that won't or can't be bought off for selfish gain purposes for ANY ONE for ANY REASON. **There can be none more Honorable than a Clean Good official of the Laws of Justice, as described in our Constitution -- and there can be none more Dishonorable than a Dirty Traitor to the Integrity of it -- In every area of the powers to be! -- In every area of its responsibilities! --- PERIOD!**

Without the **Honorable Principles** of our **Guardians** upholding then **Defending the Integrity** of our **Heritage**, our **Heritage** would be compromised; there wouldn't be **Justice** to save us from anarchy and chaos. "**We the People**" would be living in a constant hostile **Civilization** at the mercy of evil practices without **Compassion** for our **Liberty**. For 233 years, **Old Glory** has been **Proudly Waving its Star Spangle Banners Heritage** hailing our **Land of the Free** for the entire world to see, thanks to the **Consecration of our Home of our Brave who Fought and Sacrificed their Lives Defending its Honor** that was established by our **founding fathers of our Constitutional Rights**. The abusing of a position of responsibility of **Defending its Honor**, because of a chosen selfish gain purpose influenced by **Power, Greed, Ignorance or Hate**, is the ultimate betrayer to "**The Heart of our Civilizations**" **Constitution**. It is a shameful act of unforgiveness to its **Integrity**, to our **Home of our Brave** and "**We the People**" who stood by and **Honored our Heritage**. It was just 7 score and 6 years ago from,

*Four score and seven years ago our fathers brought fourth this continent,
a new nation, conceived in Liberty, and dedicated to the
proposition that all men are created equal!*

*And to the Republic for which it stands: one Nation under God,
Indivisible, with Liberty and Justice for all!*

"A prosperous mind outwardly can never precede the Heart Inwardly"

*"My Heroes aren't found in the Olympics
For gold, but what is found in the
Hearts of Integrity so bold"*
