

The Seven Steps towards Achievement

Success is led by a Solid Foundation.

A Solid Foundation is led by Understanding.

Understanding is led by knowing.

Knowing is led by Learning.

• *Learning is led by Listening.*

Listening is led by an Open Mind.

(In other words)

If you don't have an open mind, you won't listen. If you don't listen, you won't learn. If you don't learn, you won't know. If you don't know, you won't understand. If you don't understand, you won't have a solid foundation for success.
